EXPERIENCE

ViSenze | Singapore | Aug 2016 - Present

Product Manager, Enterprise Solutions

- Led team of five (three engineers, one designer, one QA) in agile development process and weekly sprints, which doubled releases
- Created product requirements, drove alignment, prioritized and managed design, execution and launch, and performed user acceptance testing of SDK widgets for enterprise solutions-based selling; trained Customer Success and Sales for roll-out in four markets: US, Southeast Asia, Europe, and China
- Wireframed analytics dashboard and defined success metrics to visualize user clicks and managed development and release within 30 days
- Planning and executing go-to-market strategy for new product line involving design and development of dashboard interface, pricing strategy, and marketing and sales

Upwork | San Francisco, CA | May 2016 – Nov 2016

Product Design Intern, Collaboration Platform (Messages)

- Performed quantitative user research (card sorting) and qualitative research (interviews, affinity diagramming) of clients, freelancers, and managed services to inform re-design of notification bell alerts
- Wireframed 12 layout designs of a news feed homepage for over 100 message bell notifications to decrease time to take actions and navigate Upwork dashboard

Apple Inc. | Cupertino / Sacramento, CA | May 2015 – Aug 2015

New Product Development Intern, Strategic Data Solutions/Emerging Technologies

- Designed and prototyped a working interactive data analytics web application, visualizing operations manufacturing data using d3.js, Bootstrap, Semantic UI, and jQuery; integrated back-end Hadoop database cluster through a node.js server
- Initiated interviews of over 10 operations engineers to discover needs and primary use cases; rapidly iterated on paper prototype designs to inform workflow

SuiteSplit | San Francisco, CA | Jan – Jul 2013

Co-founder

- Conducted needs assessment by surveying 200 potential customers and performed A/B testing of landing pages; achieved 500 visitors with 45% conversion rate
- Created a business model canvas, estimated market size, conducted customer interviews, conducted market surveys, and created prototype and functional website

AlixPartners | San Francisco, CA | Mar 2012 – Aug 2014

Financial Consultant – Certified Public Accountant

- Analyzed and re-constructed pricing strategy of a public consumer packaged goods company using market comparison methodology

Ernst & Young | San Francisco, CA | Sept 2009 – Mar 2012

Audit Senior – Assurance & Business Advisory Services

- Oversaw three independent teams of 3-15 staff in auditing asset management companies; challenged prior methodologies to complete audit 20% under budget
